Notice Regarding Expected Recording of Extraordinary Income

(Gain on Sale of Investment Securities)

V-Technology Co., Ltd. (the "Company") hereby announces that its Board of Directors, at a meeting held today, resolved to sell a portion of the investment securities held by the Company, as described below.

Details

1. Reason for the Sale of Investment Securities

The Company has decided to sell a portion of its investment securities in order to utilize its assets more efficiently and strengthen its financial position.

2. Details of the Sale of Investment Securities

(1) Securities to be sold: A portion of one unlisted security held by the Company

(2) Timing of sale: December 2026 or later (planned)

(3) Gain on sale of investment securities: Approximately ¥1.4 billion (estimate)

*The sale is scheduled to be executed after the completion of various procedures with the relevant authorities in China, and the timing of the sale may change depending on the progress of these procedures. In addition, the gain on sale of investment securities is an estimate calculated based on current exchange rates and other factors, and the actual amount recorded may differ due to exchange rate fluctuations and other factors.

3. Impact on Financial Results

The gain on sale of investment securities resulting from the sale is expected to be recorded as extraordinary income in the Company's consolidated and non-consolidated financial results for the fiscal year ending March 31, 2027. However, its impact on the consolidated financial results for the full fiscal year ending March 31, 2027 may vary depending on the timing of the sale, exchange rates and other factors, and is currently under review together with other factors that may affect financial results. The Company will promptly announce any matters that require disclosure in the future.
