Notice on Our Measures in the Prevention of Spread of Coronavirus

We would like to express our sympathy to all patients of the Coronavirus and those who are involved.

V Technology Co., Ltd. (CEO: Shigeto Sugimoto) started working from home since March 31, 2020, as a preventive measure against the spread of Coronavirus (COVID-19) to secure employees' safety and to prevent the spread of the Coronavirus. Since the Japanese government declared a month-long state of emergency until May 6, 2020, for Tokyo and six other prefectures, we also decided to extend the period for working from home from March 31, 2020, until May 6, 2020. Details are as follows.

We sincerely apologize to our business partners and other affiliated parties for any inconvenience, and we kindly ask for your understanding.

【Details】

- All full-time employees, contract employees, and temporary employees who work in the metropolitan area are to work from home in principle.
- The period for Working from home will be from March 31, 2020 (Tuesday), until May 6, 2020 (Wednesday), according to the State of Emergency.

* Our current plan is to resume working at our office from May 7, 2020 (Thursday). However, it may change depending on future conditions.
